To Whom It May Concern:

Re: BERTRAM BROTHERS CONSTRUCTION LTD.

As Development Consultants, we have worked with Bertram Brothers Construction Ltd. on five non – profit housing projects over the past four years.

We have been very pleased with their work as they provided quality workmanship and delivered the projects on time. They are also conscientious in the follow up in dealing with any deficiencies.

I would recommend them as qualified multiple residential builders and our boards are very pleased with their projects.

Yours truly, CLASSIFUND (Barrie) Corporation
