Dear Chris,

We moved into the new building on March 7, and I can't tell you how pleased everyone is with both the offices and the warehouse. The professionalism of the design, the decor, and the space reflects the new era of Del Labs.

Your ability to meet tight deadlines and deal with the complexity of our project was extremely professional, and without hesitation we would highly recommend your company in the future.

Thank you for all your time and effort spent on this project.

Best Regards,

Michael Kilburn
Vice President & General Manager
