

October 18, 2016

To whom it may concern.

Bertram Partnered with MCL Architects to provide our 38 Unit Residential Building at 98 Penetang Road for my company, Riverbank Homes Limited.

Throughout the process there were unforeseen Environmental and City of Barrie Regulatory Project challenges, but Bertram was both flexible and cooperative in resolving these issues.

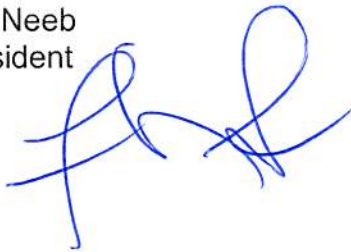

Ultimately the results were a successful high quality senior's affordable housing Residence.

I would work with Bertram again, anytime and any place. They are a caring and professional company that works towards the highest of standards while always striving to meet the requirements of their customer.

Please feel free to contact me with any questions.

Sincerely,

Tim Neeb
President
